In the world of music, you can't hit a higher note.

Steinway pianos are the choice of over 90% of the world's leading performing artists. Only the Steinway's incomparable touch and tone allow each artist to explore the fullest range of his or her talents. We compliment Landmark on Main Street for the selection of the Steinway concert grand piano for The Jeanne Rimsky Theater and salute the artists performing in their 2002-3 season.

In today's real estate market, a broad systems approach is necessary to successfully promote and sell property; the old methods are no longer enough. The buying public is more knowledgeable and more demanding. They value convenience and professional assistance; they want more extensive services.

Recognizing and responding to those consumer trends, Laffey Associates Fine Homes & Estates has developed targeted real estate advertising campaigns and implemented the full-service programs that appeal to the majority of buyers.

Our research is comprehensive. We know what buyers want and how to reach them through the innovative new sales techniques we've added to our already large array of home marketing services.

Dear Friends of Landmark:

It is with great pleasure that we welcome you to Landmark's 2002-03 Season at the newly-renovated Jeanne Rimsky Theater.

After last Season's overwhelming audience acclaim, we have planned another outstanding Season for 2002-03 – one that will appeal every musical taste!

We owe a debt of gratitude to our Season Sponsors, whose generosity has helped to underwrite the high cost of bringing first-class performances to our own backyard. First, our returning Sponsors: Dot and Ed Slade, The Roslyn Savings Foundation, Finn MacCool's, Pall Corporation, Phyllis and Harry Manko, Angela and Scott Jaggard and the Community Chest of Port Washington.

We would also like to welcome our new Sponsors this Season: Chase Manhattan Bank, Daniel Gale Real Estate, Dilworth & Barrese, Farrell Fritz, Newsday, Ruskin Moscou Faltischek, Joseph Deblinger, the Kaynard-Wall Family, George & Joan Nahas and Family, the Cinde Nissen Fund for the Performing Arts, Nancy & Ed Pratt and Cecile & Jerry Shore. We are also appreciative of the Season's Media Sponsors: Cablevision and WFUV Radio. It’s not too late to become a Sponsor for the 2002-03 Season! Please call us at 767-1384 for more information.

Thanks also to all our Applause advertisers, who have shown their community spirit by supporting Landmark. We hope your will show your appreciation by patronizing these establishments.

Finally, we would also like to extend our sincerest appreciation to Bob Rimsky, for his generous financial support and wise counsel, which inspire us to continually improve and beautify the Jeanne Rimsky Theater.

As always, your comments and feedback are most appreciated. We hope to see you at many more performances this Season!

Sincerely,

Deblie

The Rotary Club of Port Washington Serving the Community and the World For Over 50 Years
Dear Friends:

On behalf of the Board of Directors of Landmark on Main Street, we would like to welcome you to our exciting 2002-03 Season in the newly-renovated Jeanne Rimsky Theater. Thanks to the generosity and support of friends like you, we are growing into a flourishing regional arts center.

Over the past several years, Landmark has brought the best and brightest names in cabaret, jazz, classical, folk music and children’s programming to Port Washington, and the performers on this expanded Season’s schedule are outstanding in their breadth and variety. However, this increase in the number of performances brings new responsibilities as well as new audiences. Ticket sales alone account for only about 40 percent of revenues needed.

We must, therefore, rely on the continuing generosity of individuals and corporations. We sincerely hope you will become a Friend of Landmark — several levels of participation are available — and consider becoming a performance Sponsor.

The generous donation of time and hard work by our Board members and volunteers is such an important factor in the future success of Landmark as we continue to grow, so we look for more of you to become involved as we continue to strive to enhance the Spirit of Community.

Enjoy this fabulous season!

The closing of Main Street School in 1985 signaled the start of a remarkable effort to preserve and transform the property. After a decade of hard work by individuals, businesses and the government to restore this community treasure to its original splendor, it was re-opened in 1995 as "Landmark on Main Street."

The building's stature and historic significance were formally recognized in 1983 when it won a place on the rolls of the National Register of Historic Sites. Its location and imposing size made it a landmark in Port Washington long before it was officially named "Landmark." Visible from most areas of Manhasset Bay, the clock tower is referenced on navigation charts and has beckoned many generations of sailors to this beautiful area.

Landmark on Main Street houses the Jeanne Rimsky Theater, the Rich Korobkin Meeting Room and the Doctors' Gymnasium. Each of these spaces is available for rental by members of the public, civic and private groups, non-profit organizations and corporations. Landmark is also home to the Parent Resource Center, the Port Washington Children's Center and the Port Youth Council's Teen Center. These organizations share Landmark's commitment to enhancing community life by encouraging the development of recreational and cultural opportunities. Landmark also provides affordable housing in 59 apartments for senior citizens and adults with disabilities.

**The Jeanne Rimsky Theater**

Eighty-five years young, the theater at Landmark on Main Street is entertaining audiences like never before. Having served generations of students as a school auditorium from 1916 to 1985 when Landmark was the Main Street School, this intimate theater that seats 460 offers nostalgic surroundings with modern technology and comfort—and a great view from any seat.

The newly modernized auditorium—dedicated as the Jeanne Rimsky Theater—is air conditioned, has comfortable, upholstered seats and boasts a state-of-the-art sound system and a magnificent Steinway Concert Grand piano.

For the past several years, Landmark has been presenting programs in the Jeanne Rimsky Theater and the feedback from the community has been overwhelmingly positive. Long Islanders enjoy attending world-class performing arts so close to home.

Landmark has hosted sell-out performances of such world-renowned artists as opera legend Marilyn Horne, composer/musician extraordinaire Marvin Hamlisch, violin prodigy Sarah Chang and folk icons Tom Paxton, Richie Havens and John Sebastian.
Insignia Douglas Elliman Real Estate applauds the cultural contribution LANDMARK ON MAIN STREET makes to our community.

Dear Friends of Landmark:

It is with great pleasure that we welcome you to Landmark's 2001-02 Season at the beautiful Jeanne Rimsky Theater.

Over the past several years, we have presented such world-class performers as Marvin Hamlisch, Marilyn Horne, Sarah Chang, Richie Havens and Tom Paxton...and the positive response from the audience was overwhelming!

So we have planned an outstanding Season for 2001-02 that we believe will appeal to all ages and every musical taste. And this is just the beginning! We'll be adding new programs to this Season and planning an even more spectacular Season for next year.

We would like to extend a special thank you to our Season Sponsors, whose generosity has helped to underwrite the high cost of bringing first-class performances to our own backyard...Dot and Ed Slade, The Roslyn Savings Foundation, Finn MacCool's, Long Island Power Authority, Pall Corporation, Royal Health Care Services, Phyllis and Harry Manko, Angela and Scott Jaggar, the Community Chest of Port Washington and the New York State Council on the Arts. It's not too late to become a Sponsor for the 2001-02 Season! Please call us at 767-1384 for more information.

As always, your comments and feedback are always most appreciated. We hope to see you at many more performances this Season!

Sincerely,

The Rotary Club of Port Washington Serving the Community and the World For Over 50 Years
Dear Friends:

On behalf of the Board of Trustees of Landmark on Main Street, we would like to welcome you to our exciting season in the beautiful and intimate Jeanne Rimsky Theater. Thanks to the generosity and support of friends like you, we are growing into a flourishing regional arts center.

During the past five years, Landmark has brought the best and brightest names in jazz, classical, and folk music and children’s programming to Port Washington, and the performers on this Season’s expanded schedule are outstanding in their breadth and variety. However, this increase in the number of performances brings new responsibilities, as well as new audiences. Ticket sales alone account for only about 40 percent of revenues needed.

We must, therefore, rely on the continuing generosity of individuals and corporations. Please become a Friend of Landmark – several levels of participation are available – and consider becoming a Sponsor of either an individual performance or a series.

The generous donation of time and hard work by our Board members and volunteers is such an important factor in the future success of Landmark as we continue to grow, so we look for more of you to become involved as we continue to strive to enhance the Spirit of Community.

Enjoy this fabulous season!

At some point in the future, you or someone you love may need a blood transfusion.

You might need to receive blood during planned surgery or in an emergency situation. Whenever you do, Pall Corporation’s filtration technology can ensure you have the safest blood transfusion available.

Blood transfusions save countless lives and make possible many life-saving medical procedures. Although our nation’s blood supply is safer than ever before, it is important to understand both the risks and benefits of transfusions.

Transfusions contain the red cells, or platelets you need, but also the donor’s white cells, or leukocytes. Those leukocytes can:
- Harbor harmful viruses
- Release toxic substances in the blood
- Suppress the immune system

When blood is transfused, leukocytes enter your blood system. For patients undergoing surgery, the exposure to these leukocytes significantly increases the risk of postoperative infections such as pneumonia and wound infection.

Leukocytes can be prevented from entering your blood by using ‘safe’ filtration technology. If you or someone you love needs a transfusion:
- Ask questions
- Explore alternatives
- Demand leukocyte-reduced blood products

For more information, contact your healthcare provider, call 1.800.851.1778 for a copy of an educational pamphlet called "Knowing Your Options for Blood Transfusion," or visit the Web site www.bloodtransfusion.com.
No one should drive a hard bargain with an artist.

It's not too early to make reservations! Rent the Jeanne Rimsky Theater, the Doctors' Gym or the Rich Korobkin Meeting Room at Landmark. If you are planning an event that you would like to have at Landmark, call 767-1384 today.
The closing of Main Street School in 1985 signaled the start of a remarkable effort to preserve and transform the property. After a decade of hard work by individuals, businesses and the government to restore this community treasure to its original splendor, it was re-opened in 1995 as "Landmark on Main Street."

The building’s stature and historic significance were formally recognized in 1983 when it won a place on the rolls of the National Register of Historic Sites. Its location and imposing size made it a landmark in Port Washington long before it was officially named "Landmark." Visible from most areas of Manhasset Bay, the clock tower is referenced on navigation charts and has beckoned many generations of sailors to this beautiful area.

Landmark on Main Street houses the Jeanne Rimsky Theater, the Rich Korobkin Meeting Room and the Doctors’ Gymnasium. Each of these spaces is available for rental by members of the public, civic and private groups, non-profit organizations and corporations. Landmark is also home to the Parent Resource Center, the Port Washington Children’s Center and the Port Youth Council’s Teen Center. These organizations share Landmark’s commitment to enhancing community life by encouraging the development of recreational and cultural opportunities. Landmark also provides affordable housing in 59 apartments for senior citizens and adults with disabilities.

The Jeanne Rimsky Theater

Eighty-five years young, the theater at Landmark on Main Street is entertaining audiences like never before. Having served generations of students as a school auditorium from 1916 to 1985 when Landmark was the Main Street School, this intimate theater that seats 460 offers nostalgic surroundings with modern technology and comfort—and a great view from any seat.

The newly modernized auditorium—dedicated as the Jeanne Rimsky Theater—is air conditioned, has comfortable, upholstered seats and boasts a state-of-the-art sound system and a magnificent Steinway Concert Grand piano.

For tickets and information, call the Landmark box office 516/767-6444.

**LANDMARK ON MAIN STREET**

"The Spirit of Community"

The closing of Main Street School in 1985 signaled the start of a remarkable effort to preserve and transform the property. After a decade of hard work by individuals, businesses and the government to restore this community treasure to its original splendor, it was re-opened in 1995 as "Landmark on Main Street."

The building's stature and historic significance were formally recognized in 1983 when it won a place on the rolls of the National Register of Historic Sites. Its location and imposing size made it a landmark in Port Washington long before it was officially named "Landmark." Visible from most areas of Manhasset Bay, the clock tower is referenced on navigation charts and has beckoned many generations of sailors to this beautiful area.

Landmark on Main Street houses the Jeanne Rimsky Theater, the Rich Korobkin Meeting Room and the Doctors' Gymnasium. Each of these spaces is available for rental by members of the public, civic and private groups, non-profit organizations and corporations. Landmark is also home to the Parent Resource Center, the Port Washington Children's Center and the Port Youth Council's Teen Center. These organizations share Landmark's commitment to enhancing community life by encouraging the development of recreational and cultural opportunities. Landmark also provides affordable housing in 59 apartments for senior citizens and adults with disabilities.

**The Jeanne Rimsky Theater**

Eighty-five years young, the theater at Landmark on Main Street is entertaining audiences like never before. Having served generations of students as a school auditorium from 1916 to 1985 when Landmark was the Main Street School, this intimate theater that seats 460 offers nostalgic surroundings with modern technology and comfort — and a great view from any seat.

The newly modernized auditorium — dedicated as the Jeanne Rimsky Theater— is air conditioned, has comfortable, upholstered seats and boasts a state-of-the-art sound system and a magnificent Steinway Concert Grand piano.

For the past several years, Landmark has been presenting programs in the Jeanne Rimsky Theater and the feedback from the community has been overwhelmingly positive. Long Islanders enjoy attending world-class performing arts so close to home.

Landmark has hosted sold-out performances of such world-renowned artists as opera legend Marilyn Horne, composer/musician extraordinaire Marvin Hamlisch, violin prodigy Sarah Chang and folk icons Tom Paxton, Richie Havens and John Sebastian.
